Are you a current ICC user?

About how much do you spend each month on ICC products?

Who is your preferred ICC distributor?

How many technicians do you have?

How many of them are ICC Master Technicians?

Are you certified with any other manufacturers?

What other brands have you used or are currently using?

What percentages of your installations are: Commercial % Residential %

Participation in the ICC Elite Installer* Program constitutes acceptance of the following terms and conditions:

1. To qualify, you must be an installer and actively purchase ICC end-to-end solutions; jacks, patch panels, patch cords, and premise cables as channel solutions. 2. You must have a company headquartered within the United States and Canada. 3. Employees and families of ICC or ICC distributors can not participate in the program. 4. Submission of false or altered information will result in the loss of privilege to participate in this program. 5. We reserve the right to change or end the terms and conditions of this program at any time without notice. 6. You agree to receive occasional program notifications via email or postal mail. 7. You agree to the terms and conditions of ICC's Intellectual Property Agreement online at <https://icc.com/ipa/>.

*Installer is defined as an installation company who engages in low voltage cabling installation as its primary business. Resellers who resell ICC products do not qualify as Installer. End users who use ICC products primarily for themselves do not qualify either.

I have read, understood and agree to the terms and conditions set forth by ICC.
